In forwarding herewith, in original, the entire file of records received from the President, Town Municipal Council, Shimoga Vide letter No C1-80/44-45 dated 13th May 1946, on the above subject, I have the honour to state as follows -

Mr B Shimmaiah, Chief Officer, having represented to the Municipal Council, for granting him suitable remuneration for his extraneous services rendered in this connection the - question was considered by the Municipal Council at its Meeting held on 20-1-1945, when a ~~mmmm~~ resolution was passed to the effect that the Chief Officer might be granted an allowance of Rs 50/- per mensem with effect from 1-6-1944, in consideration of the fact that the official has been working over-time to serve the needs of the Public-Vide resolution copy enclosed for favour of reference

page 2

The Municipal President states that the work of the Chief Officer, Mr B Thimmaiah in the food branch is satisfactory and recommends that he might be paid the h allowance of Rs 50/- proposed by the Municipal Council, with effect from 1-6-44

In this connection the Municipal Council and the President, mention that Mr B N Subba Rao, Municipal Overseer, who was placed in charge of the Municipal Depots during the period when the permanent Chief Officer- Mr H Narayana Rao, had been relieved in the Municipality consequent on his transfer to the Sanitary Board, Kolar, did satisfactory work in Supervising the affairs of the Depots during the period from 4-3-44 to 31-5-44 and - recommend that he might also be paid a similar allowance at Rs 50/- per mensem for the period referred to above

It is ascertained from the Municipal President, that upto the end of December 1945, there had been a net profit of Rs 18,323/- by the Sales Depot

A statement furnishing full particulars as to the actual realisation, the details of expenditure incurred and the net profit derived by running the Municipal Depots during the period from June 1943 to end of December 1945, is forwarded herewith for favour of reference

The entire expenditure towards the payment of allowance to the Chief Officer and to the Municipal Overseer is - proposed to be met from the net profits of the Municipal Depot Accounts

I consider that the Chief Officer deserves the payment of a reasonable remuneration for the extraneous - services rendered in this connection
